

Helping our Members secure their financial future

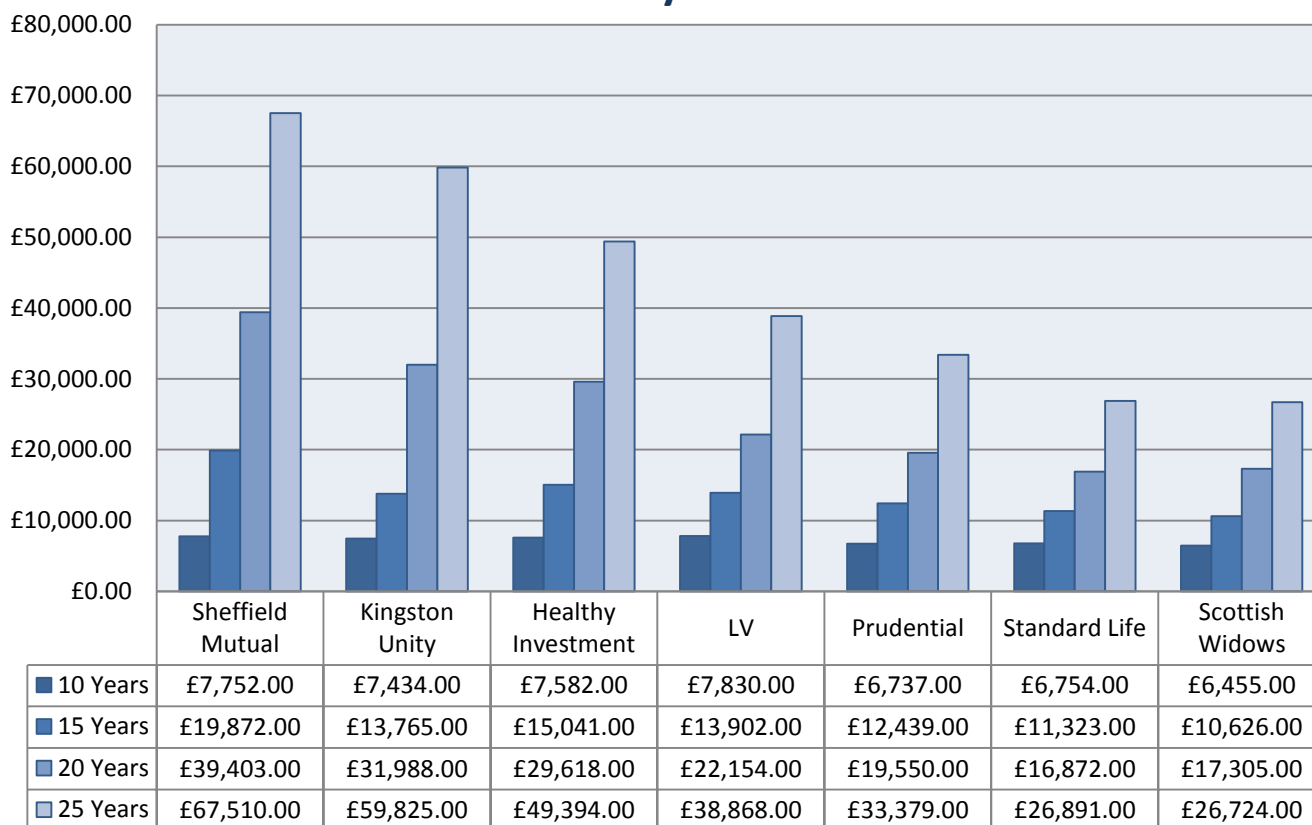

Kingston Unity is a well established Friendly Society which has offered savings and protection products since 1840. We are proud of our heritage, mutual status and providing for the investment and protection needs of our members.

The most recent Money Management survey (April 2015) shows that Kingston Unity was one of the top performing conventional With Profits endowment savings plan providers, consistently achieving a top 3 position for our regular savings plan over a 10, 15, 20, 25 year term and maturing in February 2015.

The chart below illustrates actual maturity values as at 2015 for a male aged 30 next birthday at outset paying a premium of £50 per month.
